“ Dan was one of the finest persons I worked with, he would do anything to help a coworker with any type of problem or questions. He was a good friend and we had lots of fun every September making sauerkraut at my house along with a half dozen of our other coworkers.
Love you Dan.

“ To all Dan's family - Dave and I share your loss. Dan was a very special friend and long time A.R.F.er (Animal Resource Fund) worker-volunteer. Can't imagine another event without Dan sitting at the check-out. (OR the long days of preparation beforehand) Dan was a Christian in the true sense of the term. Dan was in my prayers every single day in all the years we knew him. Our lives will never be the same without him. At our Flea Market, Dan was know as "Dan, the rock man", for all the beautiful polished stones he made. He was a wonderful human being, with a heart of gold. Dan was a friend who'd never leave you. It's been an honor and privilege, Mr Dan. Dave & Cory Campbell
