“ Grace was truly one of the loveliest people I ever had the privilege of serving in the role of personal physician. She was a gracious, elegant, totally classy lady who I cared for through many years and I never saw her that my day wasn't better for having done so. She had a wonderful life and those of us who were lucky enough to be part of it--even in a peripheral fashion--were truly blessed. My sympathies on her passing--the world has lost a true gem. I am sure Del will be thrilled to be together again!
