“ Your father was a great man. I have so many wonderful Memories of him as my neighbor on Big Horn lake. He was always there to give us ideas on a project we would be doing. Sitting at the campfire sharing stories and laugh allot. One year at Xmas he made me a shelving unit that is like a row boat. I still have to this day . We would always play jokes on one another. I do feel he out did me. My parents were same age as Bob and learned to love him like we all did. He will be truly missed but now he at peace with God. Love You Bob See you again when it is my time.
