Still No Goodbyes

There is still no goodbyes for us, it would be much too painful dear

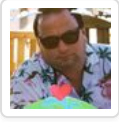

Our love still lives on, although you are far from here

I'll miss the beautiful life we shared, all the times we once had

But one day, once again, I'll hold you close and we'll be together again

I just wish I knew when.

“ When we were kids Bobby had gone fishing with grandpa and he caught himself a Walleye it was his first one when they came back to Grandpa's Bobby had it on a string and he was swinging it around I was hit in the head with that fish laughing way out loud

I just talk to him about it last fall

I asked him if he remembered the and he did

Never hesitate to talk to people you love and care about That was our last conversation

I spoke with Aunt Mary a short time ago

So my prayers are for her
